Major Project Experience (continued)

- Hewlett Packard Facility, Christchurch
New specialised office and printing facility
- Landpower Warehouse/Office Development, Christchurch
New office and warehouse building
- Elephant Hill Winery, Hawkes Bay
Architecturally outstanding winery and residential development
- Blanket Bay Lodge, Glenorchy
Premium quality accommodation lodge in stunning Central Otago location
- Craggy Range Winery, Hawkes Bay
\$30m winery development including underground cellar, administration and hospitality buildings, top quality.
- Scenic Circle Hotel, Napier (114 rooms)
Challenging 6 storey hotel and restaurant
- Millennium Hotel, Queenstown (225 rooms)
High profile 4 star hotel, restaurant and carparking
- The Heritage Hotel, Queenstown (150 rooms)
High quality managed apartment complex
- Mid City Centra Hotel, Auckland (320 rooms)
29 storey hotel, retail and public carpark building
- Windsor Hotel, Vanuatu (55 rooms)
Challenging construction in remote location
- Aurum All Suites Hotel, Queenstown
Fast track programme, challenging geometry
- Gardens Parkroyal Hotel, Queenstown (80 rooms)
Confined site necessitated innovative precast system
- Luxmore Resort Hotel, Te Anau (50 rooms)
Fully precast hotel extension
- Queenstown Multisports Events Centre
Large indoor/outdoor sports facility
- ALX Block, Christchurch Polytechnic
Aesthetically dramatic administration, library, classroom complex
- Southern Cross Hospital, Christchurch
Confined site, tight programme, great result
- Church Street Council Carpark, Queenstown
Innovative 165 carpark largely below lake level, above ground scheme currently being investigated.
- Man Street Carpark Building, Queenstown
*Four carparking levels below ground, each as big as a rugby field.
525 parks, total area 17,000m². Three levels of commercial/retail space proposed above ground.*
